Re: Attorney Letter for Metiscan, Inc.

Gentlemen:

We represent Metiscan, Inc., a Delaware Corporation (the "Company"), formerly known as OSCM – One Stop. com, Inc., a Florida Corporation. The trading symbol for the Company, as of November 18, 2008, is MTIZ.

The Company has requested that we review the Company's Annual Report for the fiscal year ended December 31, 2008, which was posted through the OTC Disclosure and News Service (the "Service") on April 7, 2009 (the "Annual Report") pursuant to Pink OTC Markets' Guidelines for Providing Adequate Current Information, and that we submit this letter to Pink OTC Markets on its behalf.

The undersigned is a United States resident, admitted to practice law in the State of New York and permitted to practice before the Securities and Exchange Commission (the "SEC") and has not been prohibited from practice before the SEC.

With respect to the Annual Report, we have examined the following corporate records and other documents, including, those which have been made publicly available through the Company's posting of such documents to [www.pinksheets.com](http://www.pinksheets.com) through the OTC Disclosure and News Service (the "Service") (collectively, hereinafter referred to as the "Information"):

1. The Annual Report which was posted through the Service on April 7, 2009;
2. The Company's unaudited financial statements for the fiscal year end December 31, 2008: (A) Condensed Consolidated Balance Sheets as of December 30, 2008 and December 31, 2007; (B) Condensed Consolidated Statements of Operations for the

years ended December 31, 2008 and December 31, 2007; (C) Condensed Consolidated Statement of Stockholders Deficit for the years ended December 31, 2008 and December 31, 2007; (D) Condensed Consolidated Statements of Cash Flows for the years ended December 31, 2008 and December 31, 2007; (E) footnotes for the financial statements for year ended December 31, 2008; all of which were posted through the Service on April 7, 2009;

3. The Certification of Designation of the Company which was filed with Delaware Secretary of State on February 4, 2009 and posted through the Service on April 7, 2009; and

4. The Asset Purchase Agreement between the Company's wholly owned subsidiaries, Metiscan Managed Services, Inc. and Metiscan Technologies, Inc., which was effective as of December 1, 2008 and posted through the Service on April 7, 2009.

The items referenced in Paragraph "2" were prepared internally by management under the guidance of the Company's Chief Financial Officer, Janine Friehe, who is a certified public accountant with an excess of seven years of experience in establishing and managing corporate financial controls.

The Company's transfer agent is Interwest Transfer Company, Inc., which is registered with the SEC. In a previous letter which was posted through the OTC News Service on October 20, 2008 (the "Initial Letter"), we confirmed the number of outstanding shares of the Company by verbally confirming the number of outstanding shares with the Company's transfer agent and discussing with Bryan A. Scott, the Company's Chairman of the Board, President and CEO, a letter which he received from the Company's transfer agent which confirmed the number of the Company's outstanding shares was 205,478,600. As of December 31, 2008, there was no change in the number of outstanding shares issued by the Company's transfer agent since the posting of the Initial Letter. However, the Company's financial statements referenced in Paragraph "2" indicate that the Company has 243,228,600 outstanding shares. We have confirmed with the Company that the additional 37,750,000 shares reflects the amount of shares which the Company has committed to issue as of December 31, 2008, but had not yet been issued by the Company's transfer agent.

As we discussed in our Initial Letter, we previously met with management and all of the directors of the Company through our meetings with Bryan A. Scott, Janine Friehe, a member of the Board of Directors and the Company's Chief Financial Officer, and Brian Hart, a member of the Board of Directors and the Company's Chief Operations Officer. We had discussions with Bryan A. Scott and Janine Friehe with respect to the Information.

For purposes of preparing this letter, we do not express any opinion with respect to the applicable laws, or the effect or applicability of the laws, or any jurisdiction other than those of the State of New York and the securities laws of the United States. As to matters of fact, we have relied upon information from Bryan A. Scott and Janine Friehe,

which we believe to be reliable.

Based upon and subject to all of the foregoing statements, we are of the opinion that the Information (i) constitutes "adequate current public information" with respect to the Company and the securities quoted on Pink Quote "is available" within the meaning of Rule 144(c)(2) promulgated pursuant to the Securities Act of 1933, (ii) includes all of the information which a broker-dealer would be required to obtain from the Company in order to publish a quotation for the securities pursuant to Rule 15c2-11 promulgated under the Securities Exchange Act of 1934, as amended, (iii) complies as to form with the Pink OTC Markets, Inc.'s Guidelines for Providing Adequate Current Information, which are located on the Internet at [www.pinksheets.com](http://www.pinksheets.com) and (iv) has been posted through the OTC Disclosure and News Service. After inquiry of management and the directors of the Issuer, we have no knowledge that the Company or any of the Company's 5% or greater shareholders are currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

This letter may be relied upon by Pink OTC Markets, Inc. in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933. This letter may not be relied upon by any other person or entity other than Pink OTC Markets, Inc. However, Pink OTC Markets, Inc. has full and complete permission and rights to publish this letter through the OTC Disclosure and News Service for viewing by the public and regulators. This opinion speaks only as the date above written and is limited to laws and regulations now in effect, and in all respects is subject to any, and may be limited by, future legislation, regulatory pronouncements and case law. We hereby expressly disclaim any duty to update any of the statements made herein.

Very truly yours,
